Here's a few Valentines Riddles for you to think about

- White, dark, round, square, big or small, I am seen on Valentine's Day, and loved by all. What am I?
- It could be delivered by mail, email, by hand or by a pigeon, it is sometimes short, lengthy with deep, profound or simple feelings. What is it?
- Current, steady, serious, former or fast, it can be either beautiful or ugly or sometimes they could forever last. What am I?
- I am sometimes white but I am not snow, I am sometimes dark but I am not the night, I am sweet but I am not sugar, I am rich but I am not Bill Gates. What am I?
