Hello “RoadRunners & Friends,”

Okay, we are off to a new adventure this month. Some of you may have been to this campground before, but this is the first time our club is camping there. We are having an Elvis – Shake -Rattle & Roll weekend, so dust off that 50's stuff and come out and have some fun!

Wekiva is having a few planned activities that we can participate in, that hopefully will make the weekend even more fun and a little less work at the same time. 😊

As always, we begin with **Early-Bird Thursday, April 6** with no planned activities. (there are some good restaurants around there if that's your pleasure also! Hopefully some time for games in the clubhouse.
