Our weekend at Red Oaks in Bushnell was missing several member couples, but we made the best of it. We had just a few visitors on Friday evening and danced in Red Oaks' newly remodeled small hall. We used the recordings of Larry Chatos that Sonny has in his computer for our rounds, but missed Chuck's excellent cueing. We had 6 couples, (one square) so 2 couples had to sit it out each time, which worked really well, because we always have a few who like to take a rest.

Our 5 CROWNS card playing was fun, I think we each had a turn at a win or 2. Mostly Carol, was the winner if I remember it correctly. It was rarely me and that I remember for sure!! It was Fun even though we missed our other players very much! We did not swim at all, as it was too cool for us Floridians and also we need Mary to inspire us to get in the pool!!

Saturday morning we were stuck in a very small room within Tortoise hall, which was fine when they final got there to unlock it. Breakfast was great as usual.

Then Saturday night found us without a hall, Red Oaks is not very organized, so we danced early and in the street and had a great campfire night instead. Worked out great. We can all reminisce about it at Zackary Taylor next week.

Oh, and John went into their office, to make sure all was good for our 2020 reservations, only to find they had no record of us. BUT John had copied the receipt they sent us , so they told us to come back the next day and get it worked out (Monday). Short summary—Monday no one was able to find the copy of the receipt he had left with them on Saturday???
