“I must blouse now to meet some tomato and lap some noodle juice and then do a flat wheeler to the egg harbor”

Slang in the 1920's was even weirder than it was in the 1950's! See if you can come up with what it means?

We are going to have some fun with the 1920's theme, so wear your flapper attire, boa or just a headband with a feather.

This will be our last campout before the summer activities begin. If you are going to the Nationals in Jackson, Ms. we hope you will consider helping the NSDCA with the Showcase of Ideas. It just entails greeting people who are looking at the display and answering their questions about camping & dancing. (We were able to sign up 20 + new members through the showcase in Atlanta 2019). After all that fun, then it is on to Rayne, La. following the Rayne Train caravan of campers with at least 4 options to dance along the way.

Sunday July 4th begins with a picnic with hot dogs with lots of other goodies to munch on. Some picnic games and fun. We are currently looking for a nearby fireworks display. Soooo...if you are not registered...GET-ER-DONE!

Please remember to also wear your badges or your club shirt. Masks/screens and sanitizing our hands before and after each dance is recommended and up to you since most have gotten vaccinated. Sam Dunn will be calling and our own very talented Chuck Ryall is cueing for us. We may want to do a square dance workshop. (TBA)

For Breakfast: If you do not know what to bring for our breakfast, please give Mary Ryall (772) 359-1048 a call to see what is needed or what you are signed up for! We are back at Whispering Palms RV Resort in Sebastian this month. (My personal favorite!)

Here is our May weekend (tentative) schedule:
