OK get ready for our Western Weekend. All of you out-of-towners, sick or injured and broken-camper people ...WE MISS YOU!! We want you back!

Our campout last month at Zackary Taylor was great fun, but missing a lot of our members. The Spring Fling last weekend had 57 rigs in attendance and 8 Squares continually on the floor. Need I say more it was a REALLY FUN FILLED WEEKEND! (So great to see our friends and dance together again.)

We put up the Club Canopy which looked great on the front corner - we enjoyed campfires on Wed & Thurs evenings. (The smore's were great also) The Yard sale did not go over too well, as it was a little chilly and very windy and several meetings were planned during the Yard Sale time..

Hope we will have a great turnout for our last campout of this season at Whispering Palms. As always THURSDAY is our early Bird Day. For those of you who choose to come early, we will be caravanning to the Promenaders in Tropical Haven. This is optional of course. Several of them usually come out to dance with us on Friday & Saturday nights so it is nice to return the favor and help them out on Thursday night. They are located at 1205 Eddie Allen Rd., Melbourne, FL.
