**Hi Everyone,**

I hope you are already for a great weekend. First off, we are doing red, white & blue theme because our state camporee 2 weeks later has "Home of the Free because of the Brave" as its theme and they have lots of great stuff planned for all. I hope you are registered by now if not please do so. What a great deal! Three days of fun, games, crafts, workshops, a sloppy joe lunch and a catered dinner and I didn't even mention the great after party entertainment and snacks! All that for just \$50.00 and add to that there is a great flea market on Thursday morning right next door. The camping is just \$35.00 per night, so what are you waiting for, pick up the phone and make your reservation now!

OK commercial over...our weekend at Wekiva is going to be a very easy one. They are having a Pizza dinner on Friday evening right there in the club house from 6:00 to 8:00 PM. That means unless you want to do something else our Friday dinner is taken care of. Not only that, we will also have an audience for our dancing on Friday night so we can show them how much fun we have and get them up to dance with us. They are also cooking breakfast for the campground on Saturday, so you don't need to bring or cook anything! We will, however, do a potluck dinner on Saturday as usual at 4:30 PM.

So, this is what the schedule looks like:

**Early-Bird Thursday on Oct. 12** - We can go out to eat at a nearby restaurant or eat on your own and then play games in the clubhouse in the evening.

**Friday, Oct. 13,** - Breakfast & Lunch are up to you. Craft time TBA
