NOVEMBER 10, 11, 12 & 13, 2022

Hello everyone,

Well, I guess I just got so into trying to coordinate things with the Wekiva Falls and our schedules, that I forgot to get this newsletter out this month.

We are very fortunate that the great folks at Wekiva Falls were able to allow us to have our weekend there. We square & round dancer clubs come into these campgrounds and require the use of their fellowship halls for the best part of the weekend. So please be kind and courteous when you check in and check out. Those sites we occupy are worth twice what we are paying for them and on top of that we take over their fellowship hall for most of Friday and Saturday. I know you are all great folks and they will love having us there because of your kindness.

Now for the weekend:

This month (**NOVEMBER 10, 11, 12, & 13**) WE WILL HAVE OUR NOVEMBER CAMPOUT AT **WEKIVA FALLS RV RESORT**, which is located in Sorrento, FL.

30700 Wekiva River Rd, Sorrento, FL 32776 / 352 383-8055

I believe John may have already sent the directions to the campground out to you.

We are going to have some extra guests with us this month. If you have not made your reservation yet, please get that done as soon as possible. Thanks!

The rally rate for our weekend is \$35.00 / night and they require a 1 night deposit. We have had to make some adjustment to our previously proposed schedule. This is our New proposed schedule:

- At 5:30 PM, on Friday, Wekiva is doing a Veterans Day Parade, so get your chair out and sit back and watch.
- Saturday morning from 8 AM till 10 AM Wekiva is doing the breakfast, so just plan to eat and then stay for our club meeting at 10:00 AM.
- On Sunday morning the club is doing a continental Breakfast, if you want to contribute, please check with Mary Ryall (772) 359-1048 as to what is needed.

Now for the very cute craft that Craig came up with for us:

**You need to bring a few fall leaves.
All the rest we should have.**
