Hello “RoadRunners & Friends”,

**Be sure to read this month’s Rambles as our weekend has many changes.**

Lots is happening this month! We are changing the schedule for the weekend to include a “Celebration of Life” for our caller Sonny McCartney on Saturday, Nov. 14. This is what the weekend will look like:

**Thursday: Nov. 12** Early Bird – No Dancing – Just fun and games!

**Friday Nov. 13** Breakfast & Lunch are on your own, but there is some work to be done to get ready for the Celebration of Life on Saturday.

- We will be putting together small sandwiches: (small sliders of Ham & Turkey cold cuts.)
- We will be making up a veggie & dip platter.
- We will also be putting together a fruit platter.

We can go over all this on Thursday and do the shopping for it then or on Friday AM.

Please bring your snack or finger foods to go along with that. We will use our leftover snacks for the dances on Saturday.

**2:00 to 3:30 PM Round Dance Party (Non-member \$10.00 / couple)**

4:30 PM Thanksgiving Dinner with all the trimmings

**Friday evening dancing begins with:**

6:30 PM - Early Rounds

Mary is back and is coordinating our food for the weekend. If you have not checked with her regarding what is needed for both breakfast and our Thanksgiving dinner, please give her a call. (772) 359-1048.

We are not planning any workshops this weekend.
