Well here is where I would put some pictures of our last campout and remind you of what a great time we had, but you all know that's not possible: So here are some memories from last year's

Christmas at Little Willy's:
Remember how hot it was!!

So that's it for now, see you on the 8th in Sebring.

If you didn't make your reservation yet, please do it now. Don't miss out on all the fun!!

They have a map on their website or call John 352-208-5980.

Drive safely!

Remember your 2023 Chapter and NSDCA dues need to be paid this month. The national dues must be sent to the NSDCA treasurer by the end of December. Please help Tom out by paying him this weekend if you haven't already. Also, the newest addition of our **Times** magazine is out. Let us know if you did not get yours. Also I will get our 2023 RR Schedule out to you after our meeting this month.

Blessings,
