Wow! It took a little extra planning for this weekend and I hope I got it right. Please give Mary a call to make changes (772) 359-1048

We hope to have nightly campfires, maybe some canoe or kayak adventures, there are plenty of trails to hike, maybe a scavenger hunt, plus a few different but fun activities and so on. You may want to bring your bike and do some trail rides.

Looking forward to seeing everyone and having a really GREAT WEEKEND!
