“Merry Christmas”

Hello “RoadRunners & Friends”,

The end of this year is just is finally just around the corner, and most of us feel like it can't get here too soon. We are all ready to say 'adios' to 2020 and get ready to a BETTER year ahead. As you all know we are sharing this weekend with Strawberry Travelers, they have graciously allowed us to co-camp with them as we were unable to find a campground for our December date. Please take time to thank them. It should make for great dancing, less work for each club and lots of presents to pick (or steal) from.

THURSDAY is our Early Bird Day (for those of you who choose to come early) Bill Dees (813-610-7573) will be there to park you and take your **cash** camping fees. Please do not arrive before 1:00 PM. Not sure yet if we will put up the canopy (depends on space). Nothing is planned.
