Happy New Year!

**Hello “RoadRunners & Friends”,**

Hope everyone had a blessed holiday and that you all are ready to get together for a great weekend of fun, fellowship, and some awesome dancing. How can we miss; we have

**Chuck Ryall (our awesome Cuer) and Sam Dunn (our awesome Caller).**

Last month’s campout at Little Willies, in Arcadia, FL. was wonderful and great fun until.... we discovered that their hall was not air conditioned. The daytime hours were wonderfully cool, the campsites very nice and the hall was large with a great stage, the floor wasn’t the best for dancing though, but overall, we were loving it. Long about 4 or 5 on Friday evening we asked for them to turn on the air as we will need it when we are dancing. That’s when they told us there was no air conditioning. Not Good! But when you are given lemons, you just make lemonade, right? Some of our folks still wore their festive Christmas outfits and we kept as many fans going as we could find, and all had a great time anyway! (Isn’t that why all the men used have fancy hand towels hanging from their belts anyway??) Enough of that. We had several guests join us for the weekend. Jim & Cheryl Davis camped with us the whole weekend. Jim is a caller also and they are both lots of fun. Jim even danced the girl’s part a time or two so we could have a square. Several other friends came out to dance with us Dick & Inez, The Friedmans, The Drakes, The Magas’ and The Barnhills . We love our guests!

This weekend we will be dancing at 1<sup>st</sup> United Methodist Church in Avon Park on both Friday and Saturday afternoons. This is Sam Dunn’s church, and we hope to have some of his club dancing with us, as they are just starting to get back to their dancing schedule again. By the way, if you know anyone in that area, be sure to invite them to join us for some great dancing. Here is our dancing weekend schedule, per Sam & Chuck:
